AMERICAN INSTITUTE OF ACCOUNTANTS

Examination Questions

June, 1917, to May, 1924, inclusive

IN response to numerous requests for complete sets of examination questions of the American Institute of Accountants, all questions from the beginning of the Institute to and including examinations of May, 1924, have been bound in a compact and convenient volume for the use of accountants, instructors, students and others interested. It is contrary to the policy of the Board of Examiners to make known any of its official answers. The book contains simply the problems, questions, etc., and a complete subject index, which will be found of great service for quick reference.

NOW READY FOR DELIVERY

Bound in cloth in a single volume 5¼ inches by 7¼ inches.
